- Fellow club member Narelle Windress is holding an event in March 2019 for people suffering from dementia and their families and the wider community. Narelle has approached the club for help to make this an amazing event. Narelle lost her mum last year to dementia, while looking after her mother she would show her the vintage fashions and accessories that she collects and it would stir fond memories of times past and would get her mum smiling and verbalising. Narelle then thought that other dementia sufferers might also have the same reaction. With this in mind she then approached Dementia Australia and got their full support for the event. Narelle has asked if our club members would be interesting in bringing cars along to put on display to help with this event. We feel that this event is a very good fit for our club to do some community work that is very worthwhile. Our suggestion is to have cars on both Saturday 9th and Sunday 10th March 2019. If you are interested in displaying your cars on either or both of these days, please contact either Brenda 0487 388 485 or Mick 0437 226 232 or by email. info@allclassicmotorclubcq.com
- The club received an email from Gurney Clamp from the MG Club telling us about a new program that the Rocky Sports Club have started. If we sign up as club which costs us nothing and then our members go in and join their club for \$2.00 a year, the club will be able to use their function room once a year at no cost. After Each member has joined up they will receive \$2.00 of their first meal that they buy. Mick is going to go into Rocky Sports Club to sign up for this program, we will let the club know once this has been done so that members can go in and sign up under the club's banner.
- Clay Weston from the Central Qld Motor Sporting Club have asked our club if anyone would be interested in volunteering to help at next year's Gold Rush Hill Sprint 13th & 14th July 2019. They want to continue to build this event so that it becomes a world class event and are looking for volunteers that are interested and would be dedicated to helping them achieve this goal. Anyone that is interested can contact Clay Weston directly on 0429 944 667.
- Colleen has been working on updating the club information brochure and it looks very professional, it will go to the printers shortly.
- A special mention was made about the shirts that Mick Baxter is promoting, these are not club shirts and are not part of our club, our shirts can only be brought through our club merchandising officer Jodie Brady.
- Membership Draw: Membership 357 Allan Palmer was drawn unfortunately he was not here to collect, you must be present to win.
