There are still a few white shirts left at the discount price of \$15 so get in quick.

- Glen had a call from Col Pine from Rotary to say that they are so happy and impressed that with all that the club do for Rocky Swap that they are going to give the club \$15,000.00 regardless of the fact that our share would probably be less. Thank you Rotary
- We are starting to look at next years calendar, if you have anywhere you would like to go please let us know.
- Mick Kennedy raised the point that now that we have received a larger amount from Rotary could we please readdress the issue of printing and posting out the newsletter. A show of hands indicated that many would like a printed newsletter. An email will be sent out to ask members would they like a printed newsletter or continue to receive it by electronic means. To save time and work in preparation of newsletters for mailing and keep the costs down we will be looking at members collecting the newsletters from the office at Menzies Auto Service on Dean St or at meetings. Those that already receive their newsletters by mail will continue to do so. .
